I don't even expect you to reply to this because based on what I'm about to talk about, you care about nothing other than fame or attention. I can't believe it took me until now to realize what I'm worth to confront u. Drake, I first met u when I was 12 years old. U knew how much I looked up to u and u used that to ur own advantage. U knew because I was young, looked older for my age that you could easily get away with hitting on me. I cannot believe you did to that me. It honestly breaks my heart to think about where I started off to where I ended off. I already know that you deny it and I don't need to convince your gf because I know that she already knows that you cheat on her with 16 year olds and I have plenty of proof. And on top of that, you are ok with both me and her meeting each other

It's absolutely awful what you did to me and it breaks me now. And now for Janet, how dare you. How dare you have a problem with me when I am underage. I'm literally the minor here. You know what he did. You

know me and him did things. When I met you, you had the nerve to give me dirty looks as if I'm the bad guy here. I'd ask you to put yourself in my shoes for a second where ur 15 years old and ur celeb crush starts flirting with u, but there's no point. And if u truly don't believe me that just means ur stupid but I don't think that's the case and, Drake has my CHILD AB/NEG INFO. I wouldn't even be messaging either of u any of this if u were both mature enough to realize what u did was disgusting, illegal and wrong.

You're both wrong. And I know I'm never getting an apology. Drake u could have owned up and Janet u could have done something right and tell me I am not in the wrong. You need help. What you put me through is something I will never forget. You took advantage of a teenage girl and I don't feel the need to threaten you or tell my parents or aunt who would call the police in an instant because you both just clearly have issues. I just want you to know how horrible you made me a feel. I hope u never put another young girl what u put me through again. Don't ever contact me again. Goodbye

I can't believe this is happening.

I think u need to give yourself time to be alone for a while to figure it out. But if u decide to stay with him ur gonna hurt yourself even more. It's totally ur decision and ik how it's literal torture to think u should leave someone u really love. But u do deserve better. Ur such a sweet person and u honestly have been nothing but nice to me. When u get back unblock my main even tho i dont even think it was acc u who blocked me CHILD AB/NEG INFO im on that account a lot more. I only ever use this acc to post like really stupid stuff. Let ur feelings out tho. And remember u deserve to be happy

I can't stop crying.
Thank you for being so sweet to me.

I'm sorry this happened.

Im more sorry for you. And you are the sweetest. U don't need to say sorry bc it had nothing to do with u. Ur so strong and u are an awesome person!

If u truly don't know what happened
I'll tell u for ur own good

I've already gotten this far and u dont
deserve to be in the situation ur in

I swear to god.
I don't know what happened.

And honest to god
I'm so sorry for hurting you.

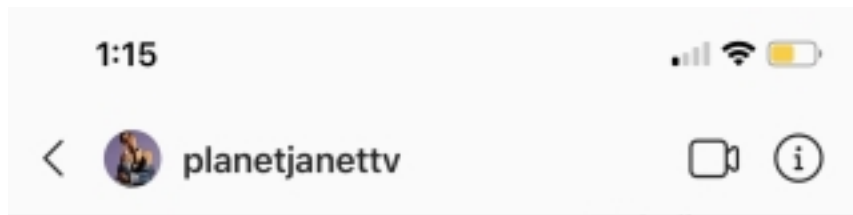

Drake and I fooled around. He
destroyed me emotionally by putting
me down if I didn't answer him quick
enough. I'm a long time fan and he
just started telling me I was pretty
and it escalated from there. I don't
know if u don't remember what
happened in January or if it was even
u. If he has access to ur acc he was
testing me. I got a message on his
snap claiming to be u asking what
was going on between u and why i'm
talking to him. I know what it's like to
be cheated on and I am so fucking
sorry. Im 16 years old and if u want
proof that things happened between
us i don't have a problem showing u

I believe you

And I'm sorry it's come to this

I think he told his friend bc I started getting dms from his friend too

Wow

I understand if u don't wanna talk to me

I can't breathe. I don't know what to do.

Well ur worth more than being with a cheater

I was supposed to be selling merch i
didn't go inside.
I went back to the hotel
I'm ignoring his calls

I don't know what to do

You know him a lot better than I do. I
know I'm not the first person he's
done this too. If u were just on tour w
him to support him I'd say go home
but how long until the tour is over

We have flights and work
arrangements till March of next year.
We represent talent together that are
relying on us. We our business
partners now.
Even if we break up we work
together now.

Oh wow

No it's work
We have an artist we represent
opening up for him

Im gonna be straight up with u. If u
stay with him he will do this again
and he'll do it to the wrong girl

New records format available

Facebook now provides records in two different formats. In addition to PDF, you now have the option to download a .zip archive of your records. The archive format allows you to view records organized by file type, which may allow for easier searching and parsing. Archive format records can be authenticated using a hash, a unique alphanumeric identifier.

The archive format is recommended when your legal process contains a request for video or other large media files. Please note that XML is not available at this time. The PDF format option is still available for all records.
